

## Safety Poster assignment

Name: \_\_\_\_\_ Block: \_\_\_\_\_ Date: \_\_\_\_\_/20 marks

In this project students will examine some of the commonly occurring safety hazards in the shop. After a short discussion, the class will proceed around the shop and identify each hazard. Students will take notes as Mr Holbrook explains the nature of each hazard. Be sure to take careful notes on all the hazards. For the Safety Poster project students will pick one safety hazard scenario to depict. Posters will be made on 8.5x11" paper.

Posters should have a title identifying the hazard, a visual illustration of the accident occurring, and should be neatly drawn and colored. Tidy lettering and accurate representation of the hazard are also grading criteria.

**Make a rough draft** on the back of this sheet to formulate your ideas.

**Title:** Identify the hazard (no long hair on the drill press, tuck in loose clothing, wear gloves when handling hot objects, no open toed footwear, check the safety gap on the bench grinder, etc).

**Illustration:** show the incident occurring. Neatly drawn and colored.
